Subject: RE: Honduras DM and Attachments for FO Review

Hi all,

We've addressed all of Sam's comments and edits and made a few other edits to the citations as I mentioned in the Teams message last week. Here is a clean version:

This doesn't need to go back to Sam as we were able to incorporate her edits.

Thanks,
Amany

Subject: Honduras DM and Attachments for FO Review

Hi RCD,

The Honduras DM and Attachments are ready to go to the FO:

 [04.08.25 Honduras TPS Decision Memo.docx](#) (Please note that we have a placeholder for the DOS rec. that HAD will not see and a placeholder for the National Security Stats that we have not yet received.)

 [Attachment A - Temporary Protected Status \(TPS\) Legal Authority.pdf](#)

 [Attachment B - USCIS Country Condition Reports, Honduras.pdf](#)

Please let us know if you need anything else. I'll revert back as soon as we have the missing Honduras stats.

Sincerely,

Kelley K. Miller

Subject: RE: Honduras and Nicaragua DMs

Hi Mark,

I'll try to address everything you've raised.

Re: Honduras, the DM is now ready to go to the FO. Here is the latest draft:

 [04.08.25 Honduras TPS Decision Memo.docx](#). Please bear with me a moment, and I will get you a link to the attachments. I am having trouble PDFing the 2 USCIS condition conditions reports (RRU and PRD) into one. It seems PRD saved their document in a way that limits this ability. I'm trying to find a workaround. We did not receive a recommendation from DOS. You are correct that DOS will not provide country conditions anymore. We understand that the recommendation will not go to HAD, only to the FO.

Re: Nicaragua, we will get the RRU country conditions Thursday. I'll be able to circulate a draft shortly thereafter. We have PRD country conditions and a DOS recommendation from 2024, not 2025.

I hope this helps!

Sincerely,

Kelley K. Miller

Hi again... I'm sending lots of replies to myself on this thread, 😊. Update... Mirna just confirmed the DoS process that Bryan had outlined from my note below. Adding Kamal and Ebony, the other two TPS PMs, as everyone is within OP&S.

Thanks @Ridley, Sasha M... Bryan shared the following as originally shared by Rena... is this still accurate? It may answer my timing question... thanks, Mark.

"...general understanding is DOS is no longer providing country conditions and that the 1 pg letter may not arrive until the end of the process right before S1 needs to sign. HAD will leave a place holder for the Sec of State rec in the memo that Sam (or OGC) will update just prior to S1's signature."

Hi @Miller, Kelley K... similar question for Nicaragua... if we only have the DOS 2024 recommendation... has a new request been made? Are we expecting a new 2025 DOS recommendation? Thanks, Mark.

Subject: RE: Honduras and Nicaragua DMs

Good morning... adding @Williamson, Bryan J... please include Bryan on all comms going forward, he will be the back-up PM for Hon/Nic. @Miller, Kelley K, confirming that we do not yet have a DOS recommendation on Honduras? And if not, are we getting one... is there a timeline to get one? I'm assuming if we proceed with clearance and the OP&S FO doesn't know, they will want to know that answer. Thanks, Mark.

Subject: RE: Honduras and Nicaragua DMs

Hi Sasha,

I hope you're well.

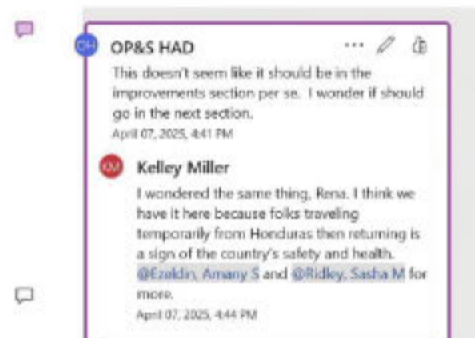

Re: Honduras, we still have a couple outstanding comments I am waiting on responses to, for example:

Generally, a citizen of a foreign country who wishes to travel to the United States for a temporary stay must first obtain a nonimmigrant visa by showing an intent to return to their home country. In Fiscal Year (FY) 2024, approximately 78,400 Honduran nationals were issued a nonimmigrant visa. In FY 2024, there were approximately 345,500 nonimmigrant admissions from Honduran nationals, demonstrating an increase from the approximately 315,500 admissions during the previous FY.³⁹

Additionally, Immigration and Customs Enforcement (ICE) is currently returning Honduran nationals to Honduras. From June 21, 2023, through March 2, 2025, ICE has removed approximately 71,450 Honduran nationals.⁴⁰

National Security Considerations

Regarding public and national security, DHS records indicate that there [are/are not] Honduran nationals who are TPS recipients who have been the subject of administrative investigations for fraud, public safety and national security. Of the current 77,400 TPS recipients from Honduras

Re: Nicaragua, Rená hasn't reviewed it yet. How would you like to proceed considering?

Thank you kindly for letting me know.

Sincerely,

Kelley K. Miller

@Cutlip-Mason, Rená E I have reviewed the attached and made minor edits. Please let us know when your review is completed, I have asked Kelley to please standby for passbacks from us both. Huge thanks to @Miller, Kelley K for drafting both of these, and thanks to @Ezeldin, Amany S and @Block, Andrew J for their substantive review.

@Miller, Kelley K once you have implemented the passbacks from me and Rena, can you please let @Smith, Mirna know? Thank you very much!
